TOWN WARRANT

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Swasey School in said Brentwood on Tuesday, the fourteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to raise and appropriate the sum of $397.71 for Town Road Aid.

4. To see if the town will raise and appropriate the sum of $2,000.00 to be added to the Capital Reserve Fund established in 1965, for a new fire truck fully equipped and approved by the N. H. Board of Underwriters. (By petition)

5. To see if the town will authorize the selectmen to borrow $55,000.00 in anticipation of taxes.

6. To see if the town of Brentwood will vote to authorize the surfacing of the Prescott Road from the residence of Mr. Abers to the bridge. (By petition)

7. To see if the town will vote to establish a Town Conservation Commission as set forth in R.S.A. 36-A. (By petition)

8. To see if the town will vote to raise the sum of $8,000.00 plus T.R.A. money to finish the Pine Road to the Exeter line.

9. To see if the town will vote to raise and appropriate the sum of $53.60 to join the Rockingham County Community Action Program, Inc.

10. By petition that the portion of Deerhill Road, running from County Farm Road (North Rd.) to just beyond the O'Dell farm be torn up and replaced with a new wider road.

11. To see if the town will authorize the selectmen to sell at a sealed or open bid sale the Sanborn land, so called. Said sale to be public or private, whichever shall be deemed by the selectmen to be in the best interests of the town. Any and all proceeds of the above sale to be used to help defray the current expenses of the town. (By request)

12. To see if the town will vote to raise and appropriate the sum of $178.81 for the annual budget of the Seacoast Regional Development Association.

13. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 13th day of February, in the year of our Lord nineteen hundred and sixty-seven.

REPORT OF THE CHIEF OF POLICE

Honorable Board of Selectmen

Citizens of Brentwood

Again with pleasure I submit my report for the year of 1966 accounting for some of the activities of the Police Department.

As in the past years the automobile accidents are a major part of police work.

This past year through the State Highway Department and the Police Department we have had the speed reduced to forty miles per hour through the intersections of Routes 125 and 111-A.

Next year it is our hope to have a blinker light installed at the junction of Route 125 and the County Farm Road and the speed reduced to forty miles per hour at this point of the highway.

It is our thought that this will reduce the ever amounting accidents at these points of the Town.

Again this past year it has been our pleasure to work with the Little League to raise funds to keep this Little League one of the best in the State.

We welcome a new member to the department, Lloyd Tibbetts, Jr., replacing the late Roscoe Fuller. With his past duty as a Police Officer with the Tilton Police Department, we should gain a great deal of help from him.

In conclusion I want to thank the members of the Department, Town Officers and citizens for their cooperation this past year.

JOSEPH H. SOUTHWICK,

Chief of Police

LIBRARY REPORT 1966

My report for the year 1966, a very satisfactory year. We have about 75 patrons visiting the Library.

Many weeks our output being 75 to 120 books. We have purchased more than 50 new books, plus a new World Encyclopedia, and several reference books. Reference books made available through the State Aid Fund.

Our Bookmobile has been our real salvation for a turn over of books. More than 3,000 books given out this year. Books have gone up in price so much, I sincerely hope the townsfolk will vote to raise our book budget to $300.00.

I have attended all the book review meetings plus several special ones. Thanks to all the trustees and patrons for their support this past year.

FLORENCE E. CORBETT,
Librarian

REPORT OF THE FIRE DEPARTMENT

Board of Selectmen

Citizens of Brentwood

My report for the year 1966 for the activities of the Fire Department.

Calls answered — House Fires 6, Brush and Grass Fires 11, Oil Burners 1, Car Fires 1, Mutual Aid Calls: Epping 2, Stratham 1, Exeter 1, Gas fumes 1, Missing Persons 1, False Alarms 3.

Regular meetings of the officers and classes in the different phases of fire fighting were held during the past year.

Several new devices were purchased by the Department.

The Ladies' Auxiliary also made substantial contributions to the Department.

A preplanning function for fire protection at the County Home has been set up with eight neighboring Towns. Also a refresher training course for the supervisors, nurses and other personnel will be held this spring with the help and advice of the local Fire Chief and the Fire Marshal's office.

During the year 1966, land between the old Rt. 125 and the new Rt. 125 was purchased and an addition to the present building was built. The 2,100-gallon tanker is now housed. Later, above floor space will be added.

The above activities and purchases by the Department help to maintain and strengthen its rating with the N. H. Board of Underwriters.

The Department regrets the passing of several of its members, who in the past have helped build the Department to its present status.

Safety Decals for homes where a person or persons may be handicapped are available; contact your Fire Chief.

I wish to thank the Officers and members of the Department, The Fire Wards, The Ladies' Auxiliary, other Departments and Citizens of the Town for their fine cooperation during the past year.

Your Department is always ready to serve you in any way possible.

FREDERICK M. GALLANT,
Chief

MARTIN LINDON,
Deputy Chief

ANNUAL SCHOOL DISTRICT MEETING

March 5, 1966

The meeting was called to order at 8:00 P.M. by the Moderator who proceeded to read the warrant.

A motion was made by J. Clinton Stevens and duly seconded that the salaries of School District Officers be as printed in the Town Report. Voted in the affirm.

Donald Pailes reported for the AREA School Committee that plans are progressing satisfactorily for moving Grades 7 & 8 to the Exeter Junior High School.

The motion was made by C. Russell Waterman and duly seconded that this report be accepted. Voted in the affirm.

The School Board presented a written report of the sewage disposal plans compiled by the Anderson-Nichols Co., Inc., of Concord, N. H. (This report is filed in the clerk's records with the Warrant for this meeting.)

A motion was made by Donald Pailes and duly seconded that this report be accepted. Voted in the affirm.

C. Russell Waterman reported that the School Board had consulted with Henry Parker of the U. S. Soil Conservation Service about how to proceed with the filling-in of the back part of the School playground. Mr. Parker advised that the stumps be removed and a contractor was hired to do this. After this work was completed the area was covered with 1,000 yards of gravel. There is space available in the rear of this area for a permanent ice skating rink if desired.

The motion to accept this report was made by Albert Belanger and duly seconded. Voted in the affirm.

SUPERINTENDENT'S REPORT

To the Citizens of Brentwood:

With the exception of the routine daily problems, Swasey School is enjoying a very fine year.

Staff changes were held to a minimum. Mrs. Susan Sharp replaced Mrs. Taft in Grade 2. Mrs. Sharp holds a Teacher's Certificate from Avery Hill College of London University and has had teaching experience both in England and in this country. Miss Lorraine Quinn replaced Mrs. Brown in Grade 3. Miss Quinn is a recent graduate of the University of New Hampshire. Miss Carol Walker was elected to teach English and Music. Miss Walker is a graduate of the University of New Hampshire where she majored in English and Speech. Miss Walker has also had experience in the production of children's plays.

Looking to the future, I am sure everyone realizes that beginning next September, all of Brentwood's seventh and eighth grade pupils will be attending the new Exeter Junior High School. With this change comes the problem of transportation. According to state law, all children under age fourteen who live more than two miles from the school must be transported. Therefore, beginning next September, Brentwood must provide bus transportation to Exeter for these Junior High School pupils as well as continuing its present service to Swasey for grades one to six.

Since the seventh and eighth grades will no longer be attending school in Brentwood the temporary partition, which was installed in 1964 in the all-purpose room, will be removed. The entire space will once again be made available for cafeteria use, meetings, and school activities.

The new hot-topped playing court and enlarged ball field are proving to be excellent additions to the overall

school facility. The individuals responsible for these projects certainly deserve praise.

Before closing I would like to commend the members of the school board, especially former board chairman, Mr. C. Russell Waterman. Credit is also due Principal Donald Virgin for his untiring and devoted efforts in making Swasey School an outstanding elementary school in the area. And finally, a special thanks to the citizens of Brentwood for continually supporting good education.

FRANCIS C. WILSON,
Superintendent of Schools

REPORT OF SCHOOL NURSE

To the Superintendent of Schools, School Board Members, Citizens of Brentwood:

Health promotion is a recognized component of present day junctional school education, which is designed to prepare each youngster to deal with life's academic, cultural, and practical needs. No phase of the schools activities has more to contribute to the student than does the health program.

Closely interwoven with all phases of school life, the health program aims at developing each student in terms of his present and future needs. As an achievement in living, health is integrated with all aspects of school life which contribute to the effectiveness and enjoyment of life for each youngster.

Primary responsibility for the health of the child rests with the parents, but school is in a strategic position to contribute effectively to the health of every school-age child. The school does not assume the role of the parent. Rather the School Health program is planned to fortify and supplement the efforts of the parents. The health education program in a modern school should no longer be a hit and miss one, but a continuous process. It should embrace all the activities and everyday living experiences that are a part of a child's life.

School Health Services comprise those procedures destined to determine the health status of the child; to enlist the child's interest in protecting and safeguarding his health; to help parents to understand their children's health needs; and to take the necessary steps to provide suitable treatment for disease and the correcting of physical defects.

Throughout the nation the attention of the school health program has been gradually shifting from purely physical disabilities toward a broader view.

Physical defects commend interest and effort because they are usually easy to find and treat.

Problems of personality growth and learning are more complex. We are often unaware that a student has such difficulties.

Recognizing the cause may be clouded because of contributing factors, such as: Anemia, Congenital Brain Damage, pimples, problems of family care such as tight shoes, no shoes, watching T.V. until midnight, no breakfast, psychological problems, such as a parent expecting sixteen year old behavior from an eight year old, divorce, or poverty. Diagnosis and treatment are not simple, nor dramatic, as physical disabilities.

We spend most of the time on simple physical problems. But as we try to help more children get more from school we must see the child in relation to his environment. The nurse's home visits and talks with parents, teachers, and students represents a small step in a difficult path.

This is a busy schedule, yes, but an interesting one. One that could not function without the help of all, the community, parents, teachers, groups, and individuals who have helped in so many ways. Our thanks to all of you.

Respectfully submitted,

LORA LAVOIE, R.N.,
School Nurse-Teacher.
